

# The Beiseker Times

Vol. 4, No. 24

EDMONTON, ALBERTA, FRIDAY, JUNE 13, 1952

## Beiseker News Briefs

Mr. and Mrs. E. Little and children of Calgary were visitors on Sunday at the home of Mr. and Mrs. H. Simmonds.

Mr. and Mrs. Matt Schmaltz spent Sunday in Calgary, visiting their daughter and family.

Mr. and Mrs. Den Boer of Rockyford were visitors at the home of Mr. and Mrs. Mike Ternes on Sunday.

Mr. Adam German was a Beiseker visitor for the week-end.

Misses Margaret and Marie Hagel were visitors at their home for a few days last week.

Among the families visiting the

parks in Calgary on Sunday were Mr. and Mrs. A. M. Schmaltz and family, Mr. and Mrs. F. P. Schmaltz and children, Mr. and Mrs. O. Tetz and children, Mr. and Mrs. L. Brosteaux and children and Larry Selzer.

Jimmie Selzer is driving around in his own light delivery.

Mr. and Mrs. E. Kroschel were visitors in Montana for a few days.

Mr. and Mrs. Charles Lohrke spent a few days in Banff.

Mr. and Mrs. Ken Wright and children and E. Vera Kroschel spent the week-end at Sylvan Lake.

## Track Meet Held On Friday, June 6

IRRICANA—The track meet between Beiseker, Irricana and Kathryn was held on Friday, June 6, at Irricana. Following are winners of buttons for most ribbons obtained in racing, high jump, broad jump and relay:

Girls under 8—Margaret Wright, Beiseker.

Boys under 8—Ewald Lang, Leveland.

Girls under 10—Gay Schmaltz, Beiseker.

Boys under 10—Allen Bertram, Irricana.

Girls under 12—Barbara Hendricks, Irricana.

Boys under 12—Aloys Sander, Beiseker.

Girls under 14—Bernice Schmaltz, Beiseker.

Boys under 14—Gerald Lepper, Herbert Spencer.

Girls under 16—Maxine Mixdorf, Kathryn.

Boys under 16—Dale Snyder, Kathryn.

Girls open—Louise Schmaltz, Beiseker.

Boys open—Howard Geier, Kathryn.

## Stan McKay Fractures Arm

KEOMA—Stan McKay broke his arm in three places while cranking a tractor on his farm on May 30. He was rushed to Calgary Hospital by his brother, Mr. Vern McKay.

The graduation dance held in Keoma Hall Friday May 30, by the Kathryn High School was a success. Graduates were: Miss Mary Randall of Keoma; Mr. Howard Geier, Keoma; Miss Eva Stone, Kathryn; Miss Alma Jean Goodrich of Kathryn; Mr. Alton McAllister of Delroy; and Miss Delphyne Rholl of Delroy. Mr. Workman, the principal, wished them every success, while Mr. Knight, their teacher, presented each one with a K.H.S. pen.

Mr. Lloyd Lester and son Norman plan to leave for Los Angeles on May 7. Mr. and Mrs. Clyde Lester will accompany them on their return.

Mr. and Mrs. C. Geier are home from the hospital after spending a few days there with pneumonia.

Mr. and Mrs. R. McKay are sporting a new Plymouth car.

Seeding is about 100 per cent completed in this district. There is still some of last fall's crop to be harvested.

## Winnipeg Bride Feted At Shower

STANDARD—Complimenting Mrs. Gordon Kroon of Winnipeg, a shower was held on Wednesday, May 28, in the church parlors. The tables were beautifully decorated with lilacs and honeysuckle. Mrs. Sorena Nielsen, acting as mistress of ceremonies, had a very lovely program lined up.

After the tribute to the bride, given by Mrs. T. Knowlton, a very delicious lunch was served. After lunch the bride was showered with many lovely gifts and spoke a word of thanks.

Our broad land: It is 4,543 miles from St. John's, Nfld., to British Columbia's Prince Rupert.

## Rev. Stanley A. Henke, First Priest Ordained From Rockyford

ROCKYFORD—On Ascension Thursday, Rev. Stanley A. Henke was raised to the holy priesthood, by the Most Rev. J. H. MacDonald, Archbishop of Edmonton. The ordination took place in St. Rita's Church, Rockyford, where the occasion was of unusual interest. The newly ordained is the first priestly vocation from Rockyford. He is a grandson of the late Frederick Stinn, whose outstanding contribution to the birth and growth of the parish won for him the papal medal "Bene merenti." There were few in the large congregation not closely related to Father Henke, on either parent's side. Prominent among the clergy present was Very Rev. J. Q. Killen, pastor of St. Rita's for 25 years, and the only pastor Fr. Henke has had.

As the Archbishop entered the Church, preceded by clergy, ordinand and acolytes, the choir sang "Ecce Sacerdos." Archbishop MacDonald immediately commenced the Mass and ordination.

After Mass, the Archbishop offered congratulations to the newly ordained and his parents. To the latter, he extended thanks, also, for having provided the type of good, Catholic home, from which vocations are likely to spring. Speaking of the great need for priestly and religious vocations, His Excellency said that he felt sure there were more vocations among the youth of St. Rita's, since Our Lord could not remain indifferent to the urgent need of His Church. It was his hope and prayer, he said, that to such as might hear the call would be granted the courage to heed it. Assisting the Archbishop, were

Rev. F. Mongeau, St. Anne's Parish, Calgary, and Rev. D. Fleming, Rev. J. E. Lefort, Calgary, and Rev. S. Molnar, Drumheller, were Masters of Ceremonies. Present in the sanctuary were Very Rev. J. Q. Killen, Rockyford, Rev. J. Dunbar, Drumheller, Rev. A. Tennant, Beiseker, Rev. J. Gibbons, Strathmore, Rev. Fr. Vallieres, C.S.R., Calgary, Rev. Fr. Nathan, C.S.R., William's Lake, B.C., Rev. Fr. Marlen, Cowley, Rev. L. Carroll, Drumheller, Rev. G. MacLellan, Calgary, and Rev. Brother Clement, C.S.R., Calgary.

Present for his ordination, were Fr. Henke's parents, Mr. and Mrs. F. Henke, Rockyford, his sisters, Rev. M. M. Leonard, O.S.U., Chatham, Ont., Mrs. Patrick Hoesy, William's Lake, B.C., Miss Marie Henke, Rockyford, and his brothers, Sixtus, of William's Lake, B.C., and Zeno, of Rockyford. Mrs. Sixtus Henke and Mr. Patrick Hoesy were also present.

On Friday afternoon, the pupils of St. Rita's School presented a short program in honor of Father Henke. At the conclusion, an address was read by Sylvan Stinn, Weldon Henke and Eric Kathol.

(Continued on Page 8)

## Grand Champion Bull Sells For \$1,350

LACOMBE—At the Short-horn and Angus Bull sale held in Lacombe Wednesday and Thursday, May 28 and 29, Emil J. Cammaert of Rockyford was the owner of the Grand Champion bull. His bull, a Shorthorn, sold for \$1,350 to the Elliott Bros., Silver Heights.

## The Car—It's Here! It's Here!

BEISEKER—The Lions' raffle car has arrived at last. So why not drop around to Louis' Garage and have a look at it. The curtain will be going up on either Friday or Saturday, so why not feast your eyes on this beautiful 1952 Airway Blue, Styleline Special four-door Chev. sedan. When you see some lucky donor drive off with this wonderful bargain, you'll probably say to yourself, why couldn't I have won that luxurious new automobile? Well, remember, you can't win this car unless you get a ticket, by giving a small donation of money to any ticket salesman.

Now these proceeds will be divided equally between the Beiseker Lions Band, and the Memorial Fund to defray expenses the Band encounters in giving Free band lessons to anyone wishing to take advantage of them and toward the installation of running water in the Memorial Hall. Also remember people of Beiseker and district, residents must keep up the community at any rate and this is one way of doing it. So get out and get your ticket or tickets while they last, because the supply is limited. When the ticket sale reaches 1,000 tickets, the raffle is closed, and no more tickets can be had at any price. So, on sports day, Wednesday, August 6th, when the draw is made, are YOU going to be the

## Fashion Show, Display, Shown

BEISEKER—A fashion show and Home Economics and Shop Display was held in the auditorium of the new school on Wednesday, June 4. A large number turned out to examine the work done by the pupils during the year. During the evening selections were played on the piano by Miss Jennie Grandi. A very inspiring talk was given by Mr. Munroe McLeod, "Teachings in the School".

To close a very enjoyable evening, the girls served a delicious lunch of sandwiches, cake and coffee.

## School Highlights

BEISEKER—The Beiseker girls softball team lost their first game this season to Carbon. Score 11-2 for Carbon.

The boys hardball team won over Swallow 19-3 on Thursday night.

fella going down the street with the weary feet, or down the street perched on that seat.

The erection of the various structures which are needed for ideal sports grounds will begin very soon. Everyone who is physically able, and can spare the time, are requested to give their name to Mr. Matt Schmaltz, so that they may take an active part in erecting these buildings.

RADIO SPORTSCASTER DAVE PRICE chuckles at the lively verbal antics of skater Barbara Arne Scott, whom he interviewed on the air recently when she visited Toronto with her ice show. "B. A." was one of the dozens of sportsmen and women who talk shop with Price in his program series of news and views on sports, Canadian Sports Roundup, heard Monday nights at 10:30 p.m. CDT, 9:30 p.m. MDT, on the CBC Dominion network.

ALONG THE SKYLINE TRAIL—Along the skyline trails and through the fabled passes of the Canadian Rockies this July, 130 "dude riders," straddling their securely saddled cayuses, will view some of the most spectacular scenery on the continent. The "dudes" are Trail Riders of the Canadian Rockies, an organization founded by J. Murray Gibbon, well-known author and former general publicity agent for the Canadian Pacific Railway, and during the last two weeks in July will participate in five-day and six-day rides in the Egypt Lakes - Marmon Ridge area of the Continental Divide near Banff, Alta., jumping off point for the expeditions. The five-day ride, starting July 18, costs \$65 per person and the six-day jaunt, beginning July 25 costs \$75, which includes horse, saddle equipment, teepee accommodation, meals and guide service. All riders are eligible for membership in the 29-year-old Trail Riders organization.

## EDITORIALS

### Father's Day 1952

Forty-two years ago Mrs. John Bruce Dodd was the driving force in starting Americans to celebrate Father's Day. Since 1910 the third Sunday in June has been observed as Father's Day, although it is not usually declared a legal holiday. This year Father's Day comes on the 15th of June.

Each year on Father's Day, emphasis is placed on a closer, father-child relation as a means of building a better world. In the average family in Edmonton or any other community in Canada the father is away from the home during the major portion of the day. Children do not have an opportunity to become as well acquainted with their father as they do with their mother.

All of us realize how important it is to the proper development of a child to have the sympathetic guidance of "Dad." Too often fathers, weighted down with the responsibility of making a living, fail to devote enough of those precious moments to the youngsters.

The important role that a father plays in moulding the character of his children has been recognized through the ages. Aristotle wrote, "From good parents comes a good son."

"One father is more than a hundred schoolmasters."—George Herbert.

"Character is largely caught, and the father and the home should be the great sources of character infection."—Frank H. Chaley.

### End of Newspaper Monopoly in Sight?

It seems as if Edmonton's daily newspaper monopoly is not going to last forever. At present rumors are current of a large Toronto daily having looked over the field with a view to publishing a second daily in this city. What truth there is in the report is not clear yet, but it is reported that a large business block in the centre of the city has been purchased by the Toronto firm.

Developments have not gone beyond this stage yet, but it is not likely that a large newspaper firm has bought a business block in the city for warehouse purposes. There has been a strong feeling in the public mind that a city of 165,000 should not be dependent on a single medium of news service in the daily field. This feeling is growing as time passes and the city of Edmonton spreads out further and further under the pressure of rapidly growing population.

One of the 165,000 Edmonton people who did not buy out the old Edmonton Bulletin, according to his own statement, is Walter MacDonald, Publisher of the Journal. Mr. MacDonald has just come home from a number of meetings in Toronto. Walter probably knows more about the newspaper situation than anyone else but, like the daisies, he won't tell.

### Let Them Pick Their Own Wives

(From the Calgary Albertan)

The defence department in Ottawa should do something about the bigotry and prejudice that apparently prevail in the Canadian army headquarters in Japan.

A young Alberta man, the first from these parts to enlist for the Korean war, married a fine, upstanding Japanese girl, with the approval of his family. But it seems the army authorities won't recognize the marriage and the girl cannot come to Canada. So, although he was due for repatriation a long while ago and has a most distinguished military record, he is still there. He won't leave his wife.

Canadian soldiers are mature enough to pick their own wives. If this girl is good enough for the man and his family and if he is good enough for her and her family, her race or color should be of no concern to the Canadian army. Where's the freedom for these fellows are supposed to be fighting for?

### Mother Shipton's Poem

By T. W. PUE

Over 200 years ago, a woman reputed to be a witch, wrote a poem which, with her self-acclaimed powers of prophecy, she set out to foretell the future, and specifically mentioned one date—1936.

She said in her poem, written over two centuries ago, that "then shall mighty wars be planned and fire and sword shall sweep the land." This has since been only too true.

Think of the annihilation of Poland, the invasion of Finland, with its white-robed ski troops in the forests, the invasion of Norway, with troops hidden in mountain forests when you read about people who "flee to the mountains and the dens, the bog and forest and wild fens."

The reader might also recall the utterances by world statesmen on war aims and reconstruction of society after the war as he reaches the end of the poem where Mother Shipton concludes with "old worlds shall die and new be born."

#### MOTHER SHIPTON'S POEM

A carriage without a horse shall go,  
Disaster fill the world with woe.  
In London Primrose Hill shall be;  
Its centre hold a Bishops See.  
Around the world men's thoughts shall fly  
Quick as the twinkling of an eye.  
And waters shall great wonders do—  
How strange, and yet it shall come true;  
Thro' Towring hills proud men shall ride  
No horse nor ass move by his side.  
Beneath the water men shall walk;  
Shall ride, shall sleep, shall even talk;  
And in the air men shall be seen,  
In white, in black, as well as green.

A great man then shall come and go  
For prophecy declares it so.  
In water iron then shall float  
As easy as a wooden boat;  
Gold shall be found in stream or stone,  
In land that is as yet unknown.  
Water and fire shall wonder do,  
And England shall admit a Jew,  
The Jew that once was held in scorn.  
A home of glass shall come to pass  
In England—but alas, alas!  
A war shall follow with the work  
Where dwells the pagan and the Turk.

The States will lock in fiercest strife  
And seek to take each others life;  
When north shall thus divide the south  
The eagle build in lion's mouth.  
Then tax and blood and cruel war  
Shall come to every humble door.  
Three times shall lovely, sunny France,  
Be led to play a bloody dance,  
Before the people shall be free.  
Three tyrant rulers shall she see;  
Three rulers, in succession, be—  
Each sprung from different dynasty.

Then, when the fiercest fight is done,  
England and France shall be one.  
The British olive then shall twine  
In marriage with the German vine.  
Men walk beneath and over streams—  
All England's sons shall plow the land  
Shall off be seen with book in hand.  
The poor shall now most wisdom know,  
And water, wind where corn doth grow,  
Great houses stand with far-flung vale,  
All covered o'er with snow and hail.

And now a word in uncouth rhyme  
Of what shall be in future time;  
For in those wondrous far off days,  
The women shall adopt a craze  
To dress like men and trousers wear,  
And cut off all their locks of hair.  
They'll ride astride with brazen brow,  
As witches do on broomsticks now.  
Then love shall die and marriage cease,  
And nations wane as babes decrease,  
And wives shall fondle cats and dogs,  
And men live much the same as hogs.

In nineteen hundred and thirty-six,  
Build houses light with straw and sticks.  
For then shall mighty wars be planned,  
And fire and sword shall sweep the land.  
But those who live the century through  
In fear and trembling this shall do,  
Flee to the mountains and the dens,  
To bog and forest and wild fens—  
For storms shall rage and oceans roar  
When Gabriel stands on sea and shore;  
And when he blows his wondrous horn,  
Old worlds shall die and new be born.

### Bible Today

Blessed are they that have not seen, and yet have believed.—John XX: 29.

## JUNE 1952 LIVESTOCK SURVEY

How many livestock are there in Canada? How many of these are dairy and how many are beef animals? What is the acreage seeded to grains in Canada in 1952? How much of this acreage is seeded to wheat and to feed grains? These and a host of other questions can best be answered by asking the farmers of Canada.

Therefore, each year at this time, the Bureau of Statistics in co-operation with the provinces distribute questionnaires to farmers throughout Canada so that every farmer may have the chance to supply information about acreage and livestock on his own farm.

The June crops and livestock survey is a voluntary one. Many farmers supply information every year and this year again all farmers are urged to co-operate in the survey. The object is to get a large number of completed reports back to the statistical offices as soon after June 1 as possible.

The individual reports will then be grouped together and estimates of acreages and livestock numbers will be made for each province across Canada. The 1952 estimates will be related to the census figures of June 1, 1951 and it will be important to know what changes have occurred since then.

The statistics obtained from the June Survey are an essential part of agricultural statistics in Canada. They form the base for the crop production estimates later on in the year and the livestock numbers are used to determine meat consumption in Canada and supplies available for export. Government bodies, farm organizations, industry and international organizations such as the Food and Agriculture Organization use the figures extensively.

All schedules returned by farmers are kept strictly confidential. The individual forms are seen only by employees in federal and provincial statistical offices.

## Voice of the People

### WHEN CHILDREN SUFFER WHY TEACH?

I say to the judges who try cases such as that recent one in New York, where a savage beast of a mother beat her child severely with an Army belt as her husband just stood beside her: there is only one way to do justice to such scoundrels. Tie up such so-called mothers and fathers and have them beaten in the same way, repeatedly, until they both are unconscious or dead. A lash for a lash, judge!

JAKE YABLONSKI.

### SEES US SKIDDING

The social problem group, the unemployables and he'er-do-wells, are begetting a large percentage of our next generation—more than ever before. Since previous generations were not coddled by government housing projects, unemployment compensation, baby bonuses, old-age pensions, relief, etc. The situation is all the more insidious because it occurs so slowly. For this trend to show appreciably might take a century. When will we reverse this trend—or shall we retrograde to a nation of morons?

G. C. M.

### THANKS FROM LIONS

We wish to express our thanks and appreciation for the publicity and co-operation given by you during the past season, in reporting and publicizing the games played by the Morinville Lions' Juvenile Hockey team, which was successful in winning the Northern Alberta Juvenile "B" championship.

Your interest and assistance are very much appreciated.

A. REID, Secretary.  
Morinville, Alta.

### FOR CRIPPLED CHILDREN

The Associated Canadian Travelers have concluded another successful season of Search for Talent.

The ready response of Northern and Central Alberta weeklies to each and every publishing news releases of the activities in connection with Search for Talent and the ACT Northern Alberta Crippled Children's Fund, has been a major factor in assuring the success of our public service in the interests of needy crippled children.

Consequently, more needy children will be healthier and happier due to your interest and co-operation.

T. A. SHANDRO,  
Secretary-Treasurer,  
Edmonton ACT.

Everybody wants short hours, high pay, quick promotions, easy work and holidays with pay. If you are looking for a job like that, remember that so is everybody else. If you find such a job, you'll be lucky. If you find two, let us know about the other one.

Teaching as a career gives one some degree of each of these desired job qualities. The actual working hours are short—not over 35 per week. Additional work is always self-controlled in the sense that you can work the assignments after 4 o'clock or after supper—your choice. The pay is not as high to start as is that of some other jobs, but it keeps rising with experience. For a young person considering a life work, that future look is often neglected and is very important. Your parents will tell you how short four or five years between the ages of 20 and 25 look from their present age. To the person of 19 it seems like all of time!

As anyone knows, pay and hours aren't everything about a job. Do you like to be your own boss? From 9 o'clock until 4 every day, a classroom teacher is. She decides what to do, how to do it and when to do it. There isn't everybody peering down her neck, and saying, "Now do this" or "Just stop that work you are doing and come over here." Besides being her own boss a teacher learns how to work with people, especially with children. The training teachers get is the best of training for motherhood. The harried parent who wonders what to do next often envies the teacher who can deal with 30 or 40 of these human dynamitos. Any man is smart to choose a girl with such training for his wife.

So, why teach? Because you serve society as a teacher, because twenty years from now your influence on young lives will pay off, because it is work which requires initiative and intelligence. If you are only for a big starting pay cheque, with little future promise with risky and itinerant work, don't look at teaching as a job. But if you would like to improve yourself as a person and as a possible parent, if you would like to leave your mark on the world, indelibly imprinted in the lives of young people, then choose teaching as a career.

DR. STANLEY CLARKE,  
Faculty of Education,  
Edmonton, Alta.

Statisticians, remarking that our nation is big bridges in Canada, estimate it is worth \$60,000,000 annually.

## THE LIGHTER SIDE

#### A Real Landlord

During the critical housing sit-  
uation, all new tenants were re-  
quired to undergo a minor third  
degree by the landlord. On one  
of these occasions, the apartment  
seeker suddenly realized that he  
in no way qualified for the va-  
cancy.

"Do you have any children or  
pets?" asked the landlord.

"One girl and a small poodle,"  
was the reply.

"Sing or play a musical instru-  
ment?"

"I play the piano," answered the  
crestfallen applicant.

"Drink or have parties?" he  
continued with the quiz.

"Once in a while," the appli-  
cant admitted.

"By George!" replied the land-  
lord. "I believe you're just the  
man I'm looking for. This place  
has been like a graveyard lately!"

#### Perfection

A man who had been a bachelor  
most of his life finally married  
and settled down. One day he  
met a friend who had known him  
in the old days and the friend  
asked him what he thought of  
married life.

"Well," replied the benedict.  
"I married the girl of my dreams  
and she was worth waiting for.  
She still is as beautiful to me as  
the day that I met her. Her hands  
are always white and soft. Her

hair is never untidy and her  
clothes are always in the very  
latest style."

"So you don't regret giving up  
your single life and getting mar-  
ried?" said the friend.

"No," was the reply, "but I can  
tell you one thing—I'm getting  
pretty tired of eating in restau-  
rants."

#### Not Enough Evidence

The owner of a tavern was  
prosecuted for selling a bottle of  
whisky after the closing hour, a  
bottle similar to that sold as evi-  
dence in the courtroom as evi-  
dence. After the jury had heard  
the evidence and had retired to  
deliberate the foreman returned  
to the courtroom.

"Your Honor," he said to the  
judge, "the jury are quite satis-  
fied as to the sale of the bottle,  
but they are not sure of its con-  
tents. May they have that bottle  
to satisfy themselves?"

"Certainly," declared the judge.  
After a brief period the jury  
filed back into the box again.

"Well, gentlemen, have you  
reached a decision?" asked the  
judge.

"There's no case, Your Honor,"  
replied the foreman. "There  
wasn't enough evidence to go  
around."

#### Safety First

"Some of you pedestrians walk  
as if you owned the streets."

"Some of you motorists drive  
around just as if you owned your  
cars."

## FARMERS' DAY CELEBRATIONS PLANNED BY FUA LOCALS

The Farmers' Union of Alberta has announced a num-  
ber of events to be held simultaneously at various points on  
Farmers' Day, June 13th. These have been arranged by  
FUA locals and include the following:

ARDROSSAN—FUA Picnic  
June 13, at Elk Island Park, com-  
mencing at 10 a.m.

BRETON—Four FUA Locals  
are sponsoring a Sports Day with  
Dance in the evening at Commu-  
nity Hall, Breton, Friday, June 13.

CRAIGMYLE—Picnic—Farm-  
ers' Day.

INNISFREE—Farmers' Day  
picnic June 13.

MORINVILLE—Morinvill and  
St. Albert locals will hold a Sports  
Day June 13 at Morinvill, with  
softball, hardball, children's races,  
horse shoe tournament, etc., and  
a machinery display. Refresh-  
ments booth on grounds. Big  
dance at night in Morinvill hall.

SPRUCE GROVE—Picnic, ball

tournament and other attractions,  
June 13. Dance in evening in  
Spruce Grove hall with Rocky  
Mountain Rangers' orchestra.

TWO HILLS—Picnic June 13.  
Prizes will be given for baseball  
tournaments, bag fights, bingo  
and many others. Farm imple-  
ments will be displayed on grounds  
by different companies. An FUA  
speaker will attend the picnic and  
a big dance will be held in the  
Recreation Hall in the evening.  
Come one and all, and bring  
others.

UNITY—Sunday, June 15,  
Sports Day at Moscow hall  
grounds, 12 miles south of Mun-  
dare. Ball games, races for chil-  
dren, refreshments.

## CHINCHILLAS

#### ANDES CHINCHILLAS

Tomorrow's Fur

Top New York fur stylist, Esther Dorothy says, "We need a  
new fur and I feel that Chinchilla is what we are looking for."  
Well known Hollywood furrier, Willard H. George says, "I am  
not worried about the Chinchilla market, the market is there  
and waiting."

## \$1 BRIGHT SAYINGS

The Editor will pay \$1.00 for each  
child's saying printed. To qualify, items  
must be true, personal remarks of a  
child known to the writer. Address  
"Bright Sayings", P.O. Box 4868, South  
Edmonton.

My youngster, pre-school age,  
is learning to spell a few words  
after mastering the alphabet. We  
taught her to spell Mummy,  
M-U-M-M-Y. Then she said,  
"Well, do you spell Daddy  
"D-U-M-M-Y"?"

MRS. W.P.D.

New Sarepta.

When my little granddaughter,  
age three, and grandson, age two,  
were staying with me while their  
mother was picking berries, they  
were playing in a granary near  
the house, and I heard the boy  
crying very hard. I, of course,  
started for the granary and met  
the little girl running very fast.

Breathlessly, she said: "Oh,  
Grandma, come quick. 'Squeekie  
Boy's been bit by a 'stung.' I  
went on, and he had caught a big  
bumblebee. She was trying to  
console him, and kept saying:  
Hush, hush, Squeekie, you will  
know next time he's a 'stung.'"

MRS. A. PROCTER.

Perryvale.

The buds of Canada's balsam  
poplar are sticky and produce a  
wax used by wild bees to seal  
cracks in their hives.

## Rosebud News Briefs

Miss Ione Feckley nurse-in-training at the General hospital, Calgary, is spending three weeks' holiday at the home of her par-

ents, Mr. and Mrs. S. Christensen.

Members of the Rosebud Junior Beef Club took top honors in the annual Drumheller Calf show and sale in Drumheller Friday. David Kenny won the Grand Champion-

ship of the show with his 1,010-pound Shorthorn which sold for 72½ cents per pound. Robert Dahm won the Reserve Championship with his 730-pound Shorthorn.

Local rain gauges registered

one inch of moisture during the week-end of June 1. This was the first good rain of the season.

Mr. and Mrs. Harry Kale of Nebraska are visiting at the home of Mrs. T. M. Christensen.

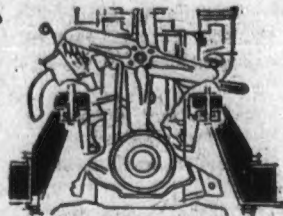

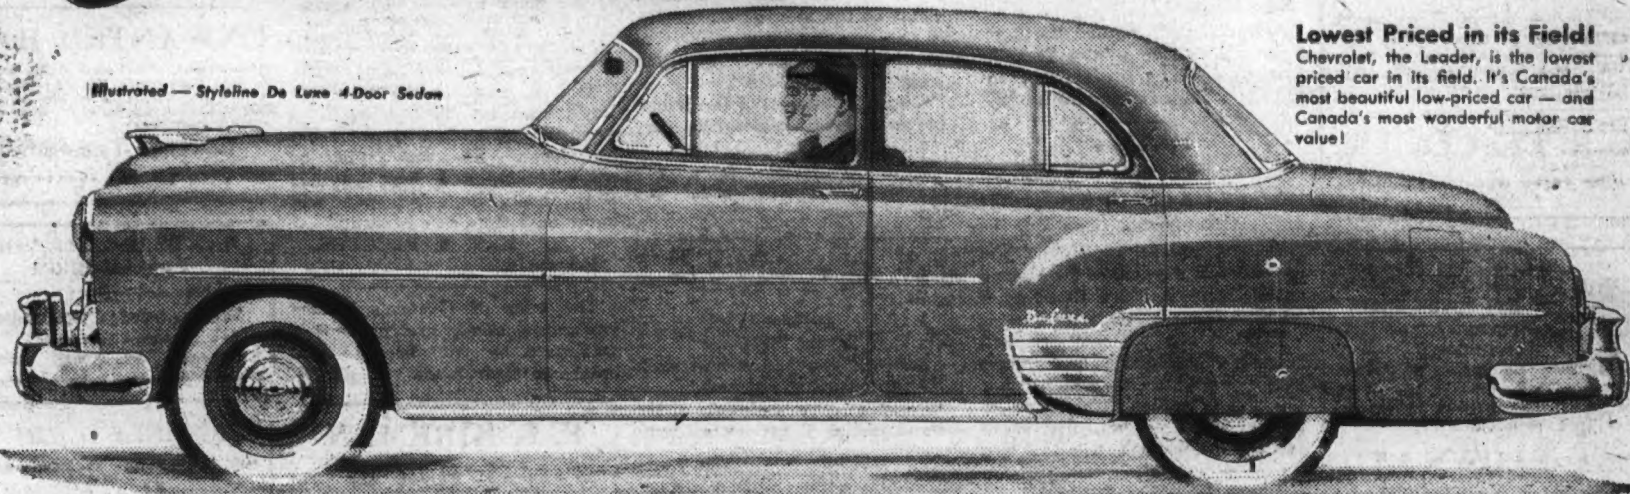

Mr. Keith Hughes of Delta

spent the week-end with Mr. Lorne Feckley. Keith is now the proud owner of a Baby Austin Coach.

Mr. and Mrs. Eric Skibsted returned from a vacation spent in the States.

# NEW 1952 Chevrolet

Illustrated — Styline De Luxe 4-Door Sedan

### Centropoise Power

Engine vibration and power impulses are "screened out" — isolated from driver and passengers. Engine rides flexibly suspended between new high-side mountings.

### Extra Large Brakes

Chevrolet's Jumbo-Drum brakes, with their big 11-inch brake drums, apply more leverage for more stopping power. Bonded linings last up to twice as long.

### Lowest Priced in its Field!

Chevrolet, the Leader, is the lowest priced car in its field. It's Canada's most beautiful low-priced car — and Canada's most wonderful motor car value!

**Only Chevrolet,  
the lowest-priced fine car,  
offers all these extra  
features!**

Here is only a partial listing of the wonderful array of extra features offered to you by Chevrolet, the lowest-priced fine car. Every single one of them means extra pleasure, extra safety, or extra economy for you. Yet again in 1952 Chevrolet is the lowest-priced line in its field! Come in and see for yourself!

The LEADER leads again...

The Only Fine Cars... PRICED SO LOW!

A GENERAL MOTORS VALUE

### Body by Fisher

Fisher Body sets the standard for styling and craftsmanship. And Fisher Unisteel construction guards you with solid all-steel strength.

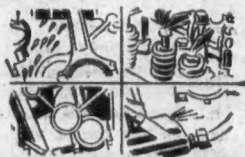

### Unitized Knee-Action Ride

Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorber action smoothes bumps and jolts more quickly.

### Widest Tread

Chevrolet measures a full 58¾ inches between centres of rear wheels — providing a broader base to give more all-round stability.

### 4-Way Engine Lubrication

Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.

### Cast Iron Alloy Pistons

Pistons are formed from the same material as the cylinder block — expand and contract at the same rate. This reduces piston wear and oil consumption.

### Gorgeous New Exterior Colors

Rich and beautiful color combinations... the most wonderful array in the entire low-price field. In De Luxe series, interiors and exteriors are distinctively color-matched.

### Powerglide

#### Automatic Transmission

It's simpler with fewer parts to wear or require adjustment. It's smoother because oil does it all without complicated intermediate gears. Optional on De Luxe models at extra cost.

### Powerful Valve-in-Head Engine

Teamed with Powerglide is the powerful Valve-in-Head engine, an outstanding performer in any field! This engine's Hydraulic-Hushed valve lifters are another important Chevrolet exclusive.

### GM Tinted Glass with the Shaded Windshield

Chevrolet offers tinted glass with exclusive, shaded windshield-tinting. Tinted glass all round helps you drive more safely and comfortably. (Optional at extra cost).

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

(Free assistance to Prairie buyers.) PM-31, J-7-14-21

## Charge Camrose Man In Auto-Crash Death

Joseph H. Froehler of Camrose has been committed for trial on a charge of manslaughter in connection with the death May 17 of William L. Webb of Vermillion on No. 2 Highway near Morinville.

Webb was a passenger in Froehler's light truck when it crashed into two parked trucks. Police allege Froehler was responsible for Webb's death because of "wilful misconduct" at the wheel.

## The Universal Invocation

From the point of Light within the mind of God  
Let light stream north into the minds of men.  
Let Light descend on Earth.

From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.

From the centre where the Will of God is known  
Let purpose guide the little wills of men,  
The purpose which the Master knows and serves.

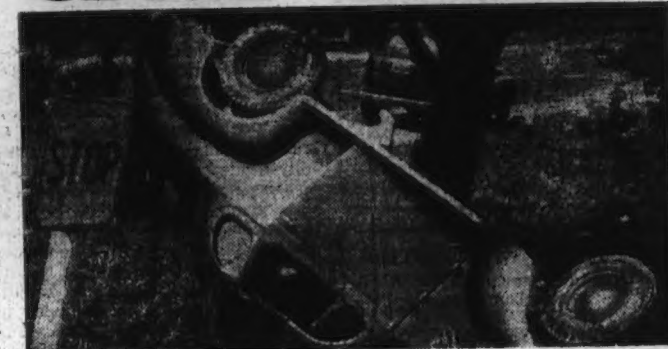

From the centre which we call the Race of men  
Let the Plan of Love and Light work out.  
And may it close the door where evil dwells.  
Let Light and Love and Power restore the Plan on Earth.

This prayer is accepted by all faiths and creeds. It is said by orthodox Mohammedans and Hindus as well as Christians of many creeds. Of course the Mohammedans use the name familiar to them for the "Coming One" whom we call the Christ. Hindus also pray for the appearance of the Lord Maitreya. Most religious sects expect a Saviour, but, use their own name for the expected One.

As the Lord's Prayer has united the difference sects of the Christian faith; so is this Invocation uniting all who believe in God.

All who know this Invocation are sounding it forth to make mighty appeal to God on Sunday, June 8. You can join them, silently, at home, or at a Public Meeting held at 3:00 p.m. in the Masonic Temple.

## BLOWOUTS CAN KILL!

No tire is blowout proof. But only the Goodyear Life-Guard Safety Tube gives you positive protection against blowout dangers.

## LETTERS TO LOUISA

Dear Louisa:

My husband is a salesman and is with people practically all day long, so that when he comes home he is perfectly satisfied to eat his dinner, listen to the radio, read and go to bed.

I have plenty of time to read and listen to the radio during the day after I finish my housework, so I am ready in the evening to go to the movies or somewhere else.

Do you think it right for me to insist on his going out when I know he would rather stay home or should I put up with being bored to death half of the time?

Answer:  
It seems to me that you and your husband could compromise on this problem. Why don't you go to the movies in the afternoon

and join a club that meets during the day. Then tell your husband that if he will give you one or two evenings during the week, you will let him rest in peace for the remainder of the week. Plan these evenings, in advance, and for times you think he will enjoy them most.

There are a great many women who would be delighted to have a husband, who was satisfied to stay home with them every evening instead of hunting outside excitement and, as your husband is contacting people all day, one can understand how relieved he is to get away from them for a while. You might suggest to him, however, that social contacts are a help to most salesmen and this may influence him to be more sociable.

LOUISA.

## Award New Contracts On \$3,000,000 Outlay

New road contracts amounting to \$3,000,000 have been awarded by the Alberta highways department, forming part of its \$17-500,000 main road construction program for this year.

Already work has started in various parts of the province as crews take advantage of weather conditions.

One of the largest contracts was for \$657,109 for a stabilized gravel base course on a 31-mile stretch from Tees Corner to Stettler.

Estimated to cost \$321,925, grading and other work will be done on a 16-mile strip from Delia to Hanna, in southern Alberta.

Grading and other work on 23 miles of the northern road between Dixonville and North Star at a cost of \$276,815 also will be undertaken immediately.

The program also includes building of a stabilized gravel base roadway east of Beiseker to Drumheller, at an estimated cost of \$979,651.

A contract for \$473,662 on the construction of a 1,000-foot reinforced concrete girder bridge over the South Saskatchewan river at Medicine Hat also has been awarded.

Work also is being started on construction of gravel base and asphalt surface on 22 miles of road in the Lundbreck-Bellevue and Coleman-Crowsnest area.

The highways department also has awarded a contract for grading and other work from Bashaw to north of Ferintosh, 15 miles, at a cost of \$163,041.

### New Talent Star To Be Born At Devon Oil Show

DEVON—When an oil well is found in a new field, it is termed a strike or discovery. Now, the oil industry in Alberta, through the Devon Oil Show Association, is about to make a different kind of discovery. At the Oil Show being held in Devon July 3, 4 and 5, a new star in the entertainment world will be born. This will take place through the Talent Show to be held nightly with Stan Francis, of "Share the Wealth" fame as Master of Ceremonies.

The presentation, to be known as the "Fame and Fortune Show," will be held in Devon's Flare Pit, an amphitheatre under the stars, which seats 6,000 people.

Twenty-five contestants will compete in the three nights with the finalists from each night competing in the last half of the program. Saturday is for the grand award. The grand prize will be a week's all-expense trip for two to New York, with an opportunity to audition for some well-known radio shows. Prizes will be given each night as well. Because of the nature of this contest, only single or dual acts which would have radio appeal are acceptable, such as vocal, instrumental, impersonations, etc. As only 25 contestants can appear, the acts will have to be screened in advance by Stan Francis, who will be in Devon well in advance of the show dates. This is not the usual type of amateur or popularity contests, as only the very best talent that is possible to find will take part, and a panel of adjudicators will decide the winners.

Talented persons wishing to appear should contact Mr. B. D. Storer, Secretary, Devon Oil Show Association, Devon, Alberta, immediately by phone, collect, or letter.

This, plus an audience participation feature, is the entertainment highlight of the Devon Oil Show. On display in the Oil exhibits will be machinery used in

## \$1 for Favorite RECIPE

### MOLASSES RAISIN COOKIES

Cream together one-third cup each brown sugar, shortening and molasses. Add 1 cup bran, 1/4 cup milk, 3/4 cup Graham flour, 1/4 teaspoon salt and 1/2 cup washed raisins. Spread in greased 8-inch square pan. Bake at 350 deg. F. for 25 minutes. Remove and cool. Cut into 16 squares, 2 inches across. May be baked in a round layer cake or pie pan and cut like a pie.

Or try Health Candy or both.

### HEALTH CANDY

Put through food chopper:

One pound each dried apricots, prunes (pitted), figs, raisins, and dates (pitted). Add one cup bran, mix well and form in balls about one inch in diameter. Any other dried fruit may be used, and nuts (any kind) make a nice addition.

This week's \$1.00 cheque for favorite recipe went to Mrs. Marian Mellett, Colinton, Alberta.

### You Having Cow Trouble?

URBANA, Ill.—If you have a cow that's too short for milking by machine, just stand her on a plank. This suggestion comes from William Hopkins. He's Dairy Herd Improvement Association tester in McDonough County. He said that when a cow's udders hang low, it causes the suckling hoses to kink so that the milker won't work.

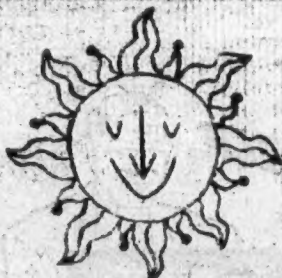

Lake Superior is the deepest of the Great Lakes.

## ARCTIC TERN FLIES FROM POLE TO POLE EACH YEAR

By JOHN E. BIRD

(British United Press Staff Correspondent)

OTTAWA—(BUP)—The Polar expeditions of Admiral Richard E. Byrd are short hikes compared with the summer vacation flights of an unusual bird from Canada's frigid arctic.

The bird is the arctic tern which flies at least 25,000 miles a year to enjoy the kind of summer weather found at the north and south poles.

When it's summer in the northern hemisphere, the tern is found in the Canadian arctic. But as soon as winter approaches, the tern spreads his powerful wings and flies to the south polar regions to enjoy the summer sunshine found in that isolated part of the world.

The tern remains at the south pole until just before winter sets in. Then he embarks on the return 12,000-mile flight for the north pole and another, to him, balmy summer.

Dr. H. F. Lewis, head of the Canadian Wildlife Service, said ornithologists cannot explain the strange behaviour of this unusual bird.

Bird experts know that the arctic tern is not fond of snow and ice and refuses to spend the winter either within the arctic or antarctic circles. However, they are unable to explain why the bird prefers arctic and antarctic summer weather, and avoids other areas with more moderate climates.

Dr. Lewis said it now is believed that most arctic terns fly to the south polar regions by way of Europe. After arriving on the other side of the Atlantic they fly directly south, and most of them don't stop until they are within the antarctic circle area.

However, some don't travel any further south than the tip of Africa.

While the terns are in the northern hemisphere, most of them fly well within the arctic circle. However, some are found as far south as Massachusetts.

The arctic tern is a swallow-like bird resembling a high-flying seagull. It is from 14 to 17 inches in length, but has a six-to-eight-inch tail which is forked. It has webbed feet but doesn't like swim-

ming much, nor walking. Just flying.

The arctic tern is a fish eater. Some ornithologists believe this may be one of the reasons why it likes to summer in the polar regions. There are relatively few other birds in the area, and the terns have practically no competition in their search for food.

Other ornithologists advance the theory that the arctic terns like the mossy, rocky, terrain of the pole summers. They point out that neither the Canadian arctic or the area inside the antarctic circle which the terns inhabit are snowblanketed during the summer season.

### First Priest Ordained . . .

(Continued from Page 1)

presented a sick-call nurse and flowers on behalf of the children, who had also contributed the flowers for the altar, on Ordination Day.

On Sunday, May 25, Father Henke celebrated his first Solemn Mass in St. Rita's Church. Very Rev. Dean Killen was assistant priest. Rev. S. Molnar, Drumheller, and Rev. P. Cramer, Calgary, were deacon and sub-deacon. The Men's Choir sang the Mass of St. John the Baptist, accompanied by Mrs. A. Henke, Fr. Henke's aunt.

In a masterly discourse, Very Reverend Dean Killen recalled that, in Baptism, the soul, re-established in Christ, is imprinted with an ineffaceable mark. Again, at Confirmation, armed for the

struggle against spiritual foes, it receives an ineffaceable mark. These two indelible characters are for all. To the few, it is given to receive a third, the mark of the holy priesthood, conferred in Holy Orders. God associates with Himself, in the work of redemption, weak human beings. "The newly anointed Levite who offers the Holy Sacrifice today," said the speaker, "is no stranger. In this church, he was baptized, made his first Communion, was confirmed. For ten years, he was a faithful altar boy. Always and everywhere, he gave evidence that God had set him aside for Himself. Christ has chosen this young man from amongst you, to spend his life in the service of the sanctuary. Today, he returns to you a priest! Every high priest chosen from among men is ordained for men in the things that appertain to God. This priest is a teacher, he is a dispenser of grace through the Sacraments; but, first and foremost, he is ordained to offer Sacrifice."

Addressing Father Henke's parents, Dean Killen told them that they had raised up a saviour, a good Samaritan, a great physician, "another Christ." For the newly ordained, he expressed the fervent prayer that his priestly years might be long, that he might be the "salt of the earth," never losing its savour, and that the seed sown in his soul by Holy Orders might increase and bear abundant fruit.

After Mass, an address was read and a presentation made, on behalf of the parish by Francis Kathol, Peter Geeraert, Richard Koester and Harvey Katterhagen, Jr., all former classmates of Fr. Henke, who responded in a few

### 19-Month-Old Baby Burned With Gas

MEANOOK — Little Margaret Jackson, 19 months, of George Lake was burned Wednesday, June 4.

Her mother had lit the gas iron and turned around to get some clothes. Margaret got the container with a bit of gas and poured it over the iron. Mrs. Jackson heard it, grabbed her apron and extinguished the fire.

Little Margaret is in the hospital at Athabasca. Her lips are burned the most. The rest of her face and hands are also burned. She will be in the hospital about five days.

When cork was scarce, fishermen on the Great Lakes used to use the thick outer bark of the base of old balsam poplars as floats for their nets.
